Highlights

Improves gum health in two wks

With a special Gum Care mode for focused cleaning to help reduce gingival bleeding and inflammation, FlexCare Platinum is clinically proven to improve gum health in only two weeks.

Helps whiten teeth

Philips Sonicare's best teeth whitening: this toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

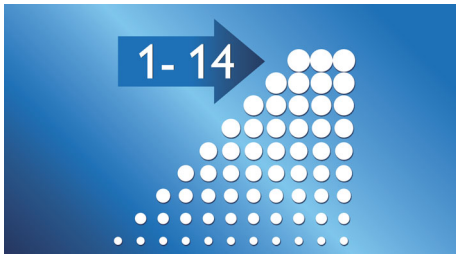
Angled brush head neck

The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Patented sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Easy-start program

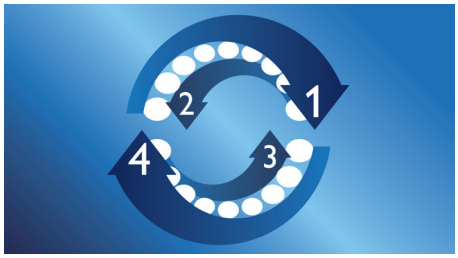


Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Smartimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Quadpacer



30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth
